Product Data Sheet

19" wall/ceiling-mount frame, 6U, black

Part Number: TWT-FRWCL-6U-BK

LANMASTER 19" Wall/Ceiling-Mount Frame, Black for mounting network and telecom equipment on walls or ceilings. Durable steel construction with powder coating.

Description

Designed for open mounting of 19" network and telecommunications equipment on vertical or horizontal surfaces.

Ideal for small offices with lightly loaded systems where full-sized cabinets are impractical. Easy to install, constructed from durable cold-rolled steel with powder-coated finish.

Flexible mounting options allow equipment to be placed directly against the wall for unrestricted access, or additional equipment can be mounted on ladder trays above the frame in equipment rooms. Front mounting rails with 12-24 threading ready for equipment installation.

Specifications:

Color	Black (RAL 9005)
Height Options	2U, 3U, 4U, 6U
Max Equipment Depth (vertical mounting, mm)	1200
Max Load for Mounted Equipment (vertical mounting, kg)	79
Max Load for Mounted Equipment (horizontal mounting, kg)	20
Number of Vertical Mounting Rails	2
