Product Data Sheet

19" ventilation panel 2U, black

Part Number: LAN-DC-VNP-2U

19" ventilation panel xU, black LAN-DC-VNP-xU: specifications, description, purpose and use in structured cabling, data center and LANMASTER infrastructure projects.

Description

The panel is mounted on the cabinet mounting profiles to fill unused space. Cage nuts and screws are used to fix the panel to the profiles.

Ventilation panels installed in unoccupied units of the vertical rails prevent mechanical impact on cable ducts and equipment in the cabinet. The perforations allow for free air circulation.

The panel surface can also serve as a space for attaching equipment.

Color is black.

Made of steel.

Part Numbers

LAN-DC-VNP-1U	19" ventilation panel 1U, black
LAN-DC-VNP-2U	19" ventilation panel 2U, black
LAN-DC-VNP-3U	19" ventilation panel 3U, black
LAN-DC-VNP-4U	19" ventilation panel 4U, black
