LANMASTER FTP industrial patch cord, cat.5e, IP68, black

Product Code: LAN-S45-45-XX-WP

LANMASTER FTP industrial patch cord, cat.5e, IP68, black

Description

Patch cords are manufactured from stranded cables and RJ-45 modular plugs of the appropriate categories. Each patch cord undergoes mandatory testing for electrical continuity, short circuit, and correct wiring. The cords are equipped with threaded protective caps to ensure a tight connection after connecting the patch cord to the RJ-45 port.
Protection class is IP68.
