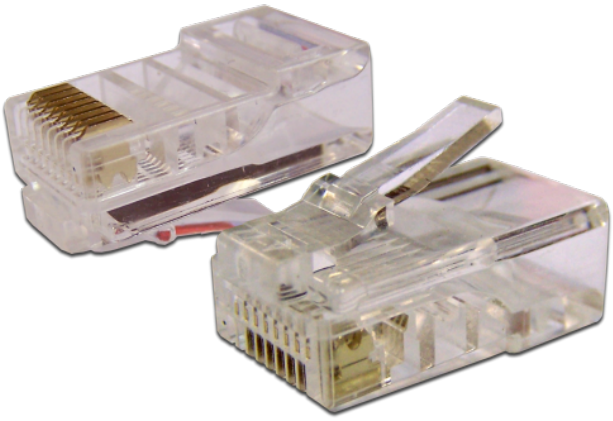
RJ45 UTP 8P8C plug, universal, cat. 6, 100 pcs



Product Code: TWT-PL45-8P8C-6

RJ45 UTP 8P8C plug, universal, cat. 6, 100 pcs

Description

Unshielded RJ-45 connectors are designed for assembling unshielded patch cords. The design of the contact pins allows them to be used for terminating both solid and stranded cables. A specific plug has been developed to work with a solid 23AWG cable.

Meet the requirements of category 6. Has 8 contacts. Contacts are plated with a thin layer of precious metals to improve conductivity. It is recommended to use protective boots TWT-BO-6.0-xx/100 together with the plugs to ensure correct bending radius of the terminated cable.

Layout of conductors in the plug according to T-568B
