Product Data Sheet

Pro series wall-mount cabinet, 6U 600 x 450, metal door

Part Number: TWT-CBWPM-6U-6x4-GY

"PRO" series 19” wall-mount cabinet with glass door (2017 model)

Description

The “PRO” series wall-mount cabinet is used to accommodate 19" network and telecommunication equipment. Cabinets of the 2017 model range are available in three depths: 450, 600 and 800 mm.

Installation of equipment is possible on two or four posts, cantilever shelves and 4-post shelves. Mounting rails can be installed at different depths.

The front door has tinted glass and a lock, if necessary, the door can be hanged to the other side.

The side panels are removable, fixed with plastic latches. It is possible to install TWT-CB-LOCK locks (supplied separately) on the side panels of the cabinet.

Two TWT-CBW-FAN1-BB fans (supplied separately) can be installed on the roof of the enclose, the cabinet has a cable entry hole closed with a cover in the top and bottom panels. If necessary, TWT-CBW-BP brush entries (supplied separately) can be mounted in the cable entry holes.

The cabinet is supplied unassembled. Delivery set consists of 2 packs.

Color is gray (RAL 7044, 7039).

Ingress protection is IP20.

Powder coating painting.

Cabinets comply with ANSI/EIA RS-310-D, IEC297-2, DIN41494-1, DIN41494-7 international standards.
