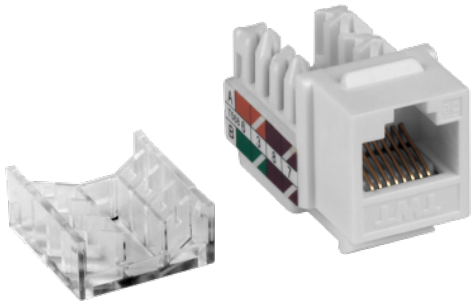
RJ45 Keystone module, category 5E, UTP, 90 degrees, white



Product Code: TWT-OK45UTP/5E-WH

RJ45 Keystone module, category 5E, UTP, 90 degrees, white

Description

The module is used to complete telephone and LAN sockets installed in a wall trunk, in a wall box, and in modular patch panels. Color-coded marks are provided on the module housing for easy cable termination.

The insulation displacement contact method is used (IDC) to terminate incoming cable.

Model range
