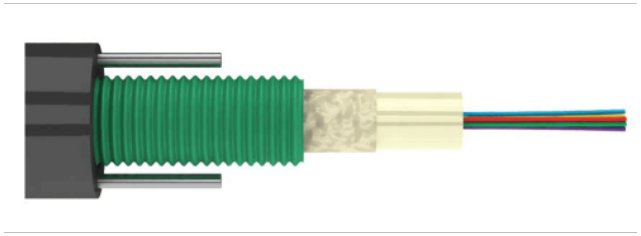
Product Data Sheet

Outdoor FO cable, armored, GYXTW, PE, 12 fibers, G.652 SM



Part Number: LAN-OFC-GYXTW12S2

GYXTW type armored cable, outdoor, PE jacket LAN-OFC-GYXTWxxyyk: specifications, description, purpose and use in structured cabling, data center and LANMASTER infrastructure projects.

Description

Application: Outdoor armored fiber optic cable for installation in cable ducts, pipes, trays, tunnels, collectors, over bridges and overpasses, in the ground and between buildings.

Design: Central loose-tube optical module with hydrophobic filling compound, corrugated steel tape armor and a black UV-resistant polyethylene jacket.

Fiber identification: standard color coding is used. Check the current product datasheet for the complete color table, dimensions and mechanical parameters.

Operating conditions: see the current product datasheet for temperature range, tensile load, crush resistance and minimum bend radius.

Part Numbers

LAN-OFC-GYXTW4S2	Outdoor FO cable, armored, GYXTW, PE, 4 fibers, G.652 SM
LAN-OFC-GYXTW04M22	Corrugated steel tape armored fiber optic cable, GYXTW, 2.7 kN, PE, outdoor, 4 fibers, OM2
LAN-OFC-GYXTW04M32	Corrugated steel tape armored fiber optic cable, GYXTW, 2.7 kN, PE, outdoor, 4 fibers, OM3
LAN-OFC-GYXTW8S2	Outdoor FO cable, armored, GYXTW, PE, 8 fibers, G.652 SM
LAN-OFC-GYXTW08SU2	Corrugated steel tape armored fiber optic cable, GYXTW, 2.7 kN, PE, outdoor, 8 fibers, OS2 Ultra
LAN-OFC-GYXTW08M22	Corrugated steel tape armored fiber optic cable, GYXTW, 2.7 kN, PE, outdoor, 8 fibers, OM2
LAN-OFC-GYXTW08M32	Corrugated steel tape armored fiber optic cable, GYXTW, 2.7 kN, PE, outdoor, 8 fibers, OM3
LAN-OFC-GYXTW12S2	Outdoor FO cable, armored, GYXTW, PE, 12 fibers, G.652 SM
LAN-OFC-GYXTW16SU2	Corrugated steel tape armored fiber optic cable, GYXTW, 2.7 kN, PE, outdoor, 16 fibers, OS2 Ultra

LAN-OFC-GYXTW16M32	Corrugated steel tape armored fiber optic cable, GYXTW, 2.7 kN, PE, outdoor, 16 fibers, OM3
LAN-OFC-GYXTW16S21	Steel tape armored fiber optic cable, GYXTW, PE, outdoor, 16 fibers, OS2
LAN-OFC-GYXTW24SU2	Corrugated steel tape armored fiber optic cable, GYXTW, 2.7 kN, PE, outdoor, 24 fibers, OS2 Ultra
