Product Data Sheet

120 mm fiber raceway 90° horizontal bend, yellow

Part Number: LAN-OT120-HC90

fiber raceway 90° horizontal bend, yellow LAN-OTxxx-HC90: specifications, description, purpose and use in structured cabling, data center and LANMASTER infrastructure projects.

Description

Purpose:

- Creates a 90 degree horizontal turn in a fiber raceway route.
- Connects two fiber raceway sections of the same width at a right angle.

Features:

- Fast installation.
- High load capacity.
- Maintains the required fiber bend radius.

Package includes:

- 90 degree horizontal bend - 1 pc.

Typical application:

- Joining two straight fiber raceway sections at a 90 degree horizontal turn.
