Product Data Sheet

Fiber Optic Cleaning Card

Part Number: LAN-FT-CL/CRD

Fiber Optic Cleaning Card LAN-FT-CL/CRD: specifications, description, purpose and use in structured cabling, data center and LANMASTER infrastructure projects.

Description

The card is designed for cleaning any optical connectors.

This card has 12 identical zones for individual connector cleaning, both for cleaning with cleaning agents and dry cleaning.

Each zone is protected by a separate film for better preservation which can be removed when the card is used for the purpose.
