Wall-mounted cable hook, galvanized

Product Code: LAN-CC-JWL-x-EZ

Wall-mounted cable hook, galvanized

Description

The ideal solution for non-usual operating conditions and for the rapid deployment of a cable route. J-hooks provide proper cable support and easy cable management for a variety of cable types.

It is suitable for 5/5e/6/6A/7 category copper cables, fiber optic cables, coaxial cables, etc. Rounded edges of J-hooks prevent cable damage.

Utilizing various mounting options, you can use them in different conditions: mounting to the wall surface, using a beam clamp for fastening to steel girders, using a threaded rod for mounting to the ceiling, etc.
