Accessory plate with a frame for 120x50 trunking, white

Product Code: LAN-CT120-F45xyy-WH

Accessory plate with a frame for 120x50 trunking, white

Description

The accessory plate with a frame is intended for the organization of a workplace. Used for installation of data, voice, television, power, or other sockets of the 45x45 French Mosaic type size in LANMASTER 120x50 mm trunking.

Existing models of the plates allow you to install one (in the 45x45 plate) and two (in the 45x90 plate) sockets in the trunking.

The plate is installed in the trunking using the LAN-CT120-FRM-FIX clamps. Plastic clamps are attached to the grooves for separators inside the trunking, the plate is connected to them with screws.
