Product Data Sheet

Side panels kit for DC series cabinet plinth

Part Number: LAN-DC-CB-xxyy-PL2SP

Side panels kit for DC series cabinet plinth LAN-DC-CB-xxyy-PL2SP: specifications, description, purpose and use in structured cabling, data center and LANMASTER infrastructure projects.

Description

The kit is designed for installation on the side surfaces of the LAN-DC cabinet plinths.

The design of the plinths allows you to install side panels even when the cabinet is already installed on the plinth.
