LANMASTER SOUNDPROOF soundproofed cabinet, 750x1030 mm, wood finish, larch color

Product Code: LAN-DC-CBSP-xxU-WD

LANMASTER SOUNDPROOF soundproofed cabinet, 750x1030 mm, wood finish, larch color

Description

It is not always easy to allocate a large area for the placement of telecommunications equipment. There are cases when the only possibility is to locate data processing equipment in the office, in the same room where people work.

In such cases, it is recommended to install IT equipment in a secure enclosure with equipment noise suppression. The LANMASTER SOUNDPROOF cabinet is similar in appearance to ordinary office furniture, but at the same time it has a specialized internal structure. Which provides sound insulation, built-in ventilation, and a power distribution unit.

Features:

- Blend harmoniously into almost any office environment thanks to its light veneer finish.
- Acoustic foam filling reduces audible hardware noise by up to 20 dB(A) at 1 meter from cabinet.
- There is a space in the back of the cabinet to accommodate vertical PDUs.
- Locks on the front door and side panels.
- Supplied with 6 low noise exhaust fans.

Height: 18U, 24U

Width: 750 mm

Depth: 1030 mm

Load: 1000 kg

Design: Welded body, shipped assembled
