Vertical cable manager, 8 metal rings

Product Code: LAN-ORV-17U-8MR

Vertical cable manager, 8 metal rings

Description

The vertical cable manager is used to distribute cable flows in 800 mm and 600 mm wide LANMASTER DC series cabinets.

755.65 mm long (or 17U high) metal cable manager is designed to manage excess length of patch cords which allows you to streamline the placement of cords and avoid loops.

Manager’s rings (85mm deep) are securely fixed by welding, powder coating is applied.

The vertical manager does not occupy units on the cabinet's mounting rails. It installed on the PDU tray without a tool. There are fasteners on the back of the cable manager for hanging on the tray.

Color is black (RAL 9005).
