19" cable manager with brush seal and 5 metal rings, 1U

Product Code: LAN-ORG/BPMR-1U

19" cable manager with brush seal and 5 metal rings, 1U

Description

1U metal cable manager with brush seal is designed to manage excess patch cord lengths, which allows you to organize the cord placement and avoid the creation of loops. The cable manager's rings (60 mm depth) are securely welded to and powder coated.

The brush seal allows quick and easy routing of patch cords, provides reliable protection from dust, and prevents air leaks in the points of cable routing.

Model range

LAN-ORG/BPMR-1U	19" cable manager with brush seal and 5 metal rings, 1U
