Wall mounting box for one Keystone with protective shutter, white

Product Code: [LAN-SA1/S-WH](#)

Wall mounting box for one Keystone with protective shutter, white

Description

Boxes are designed for the installation of one Keystone module for assembling wall mounting data outlets.

Simple and convenient wall boxes with high quality workmanship can be completed with both unshielded and shielded Keystone modules.

Modules are fixed with a pull tab inside the box.

The boxes have two-piece sliding shutters to protect the module contacts from damage.

The package includes:

- Wall mounting box - 1 pc.
- Additional color icon - 1 pc.
- Double-sided adhesive tape - 1 pc.
- Screw - 1 pc.
- Cable tie - 1 pc.

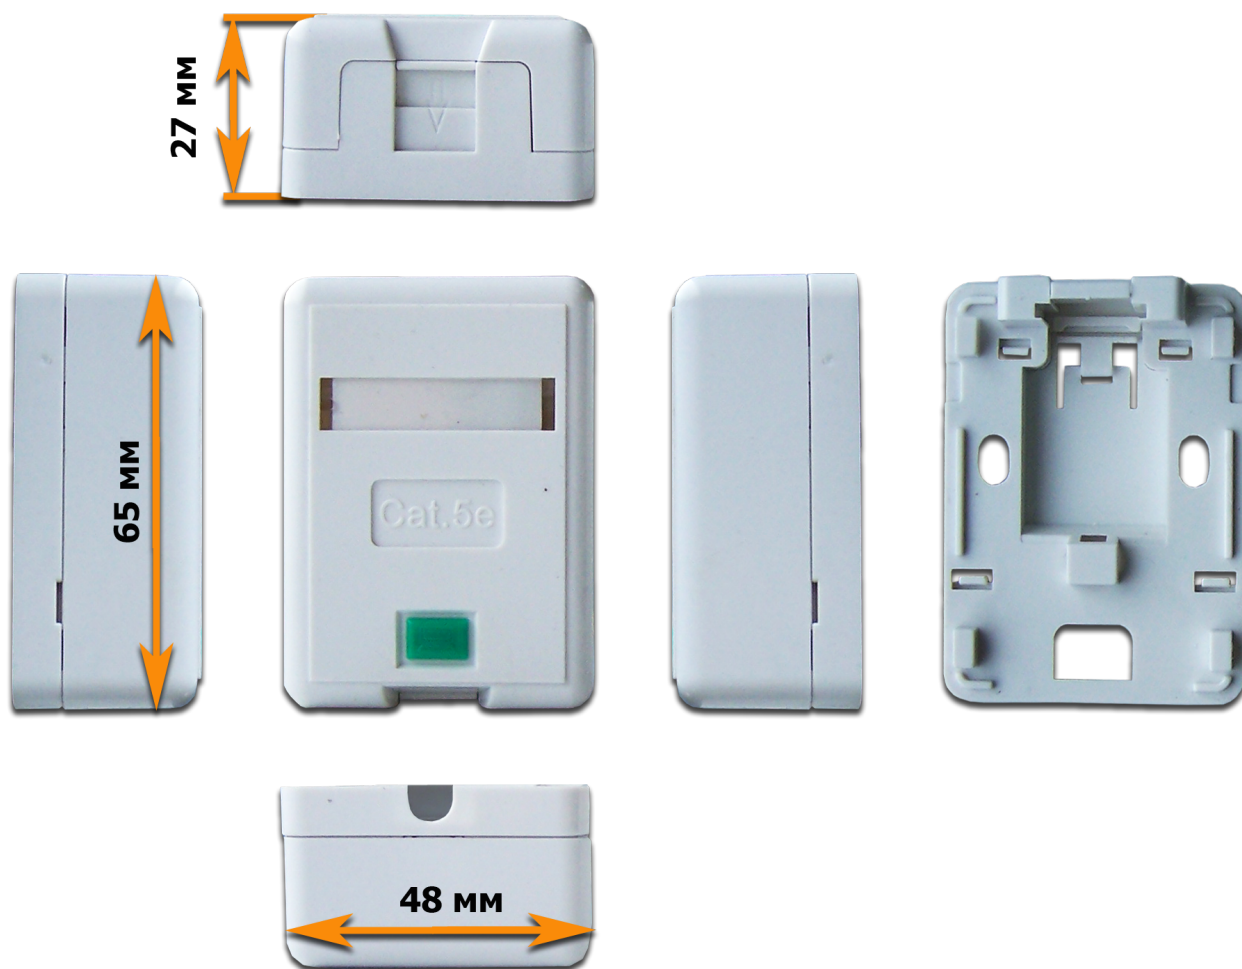

You can use the supplied double-sided adhesive tape or screws for wallmounting. If necessary, you can use both options at the same time.

Use the cable tie included in the package to fasten the cable inside the box.

Dimensions (DxWxH) - 65 x 48 x 27 mm

Body color is white (RAL 9010).

Made of ABS.
