45x45 insert for 2 modules, with shutter and enlarged label field, white

Product Code: LAN-SIP-24L-WH

45x45 insert for 2 modules, with shutter and enlarged label field, white

Description

Inserts are used to install Keystone form-factor telecommunication modules in a French socket.

Compared to other LANMASTER modular inserts, this insert has a larger paper label field covered with transparent plastic. To protect the module contacts from damage and dust, the insert has a sliding shutter.

Inserts must be installed by one in a 45x45 frame.

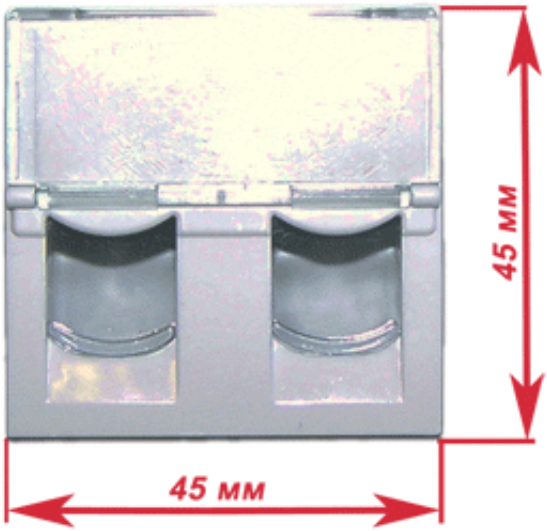

Can be used with unshielded and shielded Keystone modules.

Made of ABS.

Body color is white (RAL 9010).
