22.5x45 Mosaic insert with VGA D-SUB (HDB-15) female connector, and a cord with female connector, white

Product Code: LAN-WA-LP-VGA-FF-xx

22.5x45 Mosaic insert with VGA D-SUB (HDB-15) female connector, and a cord with female connector, white

Description

The front panel is used to complete Mosaic sockets, for installation in floor hatches, minicolumns, wall blocks. The inserts have a size of 22.5x45 mm, which allows you to install 2 inserts per one mounting frame.

The front panel is designed to organize connection points for monitors or projectors with VGA/SVGA D-Sub connectors. On the front side, the module is equipped with a D-SUB (HDB-15) connector. On the back of the panel there is a 20 cm or 3 m extension cable. The cable is terminated with a D-SUB (HDB-15) female connector, allows convenient connection of VGA cables that income from the back side of the socket.
