Wall mounting base outlet box for one Mosaic 45x45 module with side caps, white

Product Code: LAN-WA-RMB-F45/B-WH

Wall mounting base outlet box for one Mosaic 45x45 module with side caps, white

Description

The wall mounting outlet box is designed for organizing data sockets, or installing power sockets, or any other mechanisms produced for the 45x45 French Mosaic typesize.

This box has a fully sectional design. It consists of a body, side caps, a mounting frame with lock, and a faceplate with a decorative frame. If necessary, decorative frames can be of other colors - blue, red, gray, or black.

The main advantage of this box is the ability to quickly expand it using expansion modules. The number of expansion modules added next to one box is limited only by the space for the through passage of cables and wires inside the enclosure.

Also, the advantage of this box is its lightweight screwless disassembly/assembly from the front side.

The box is installed on self-tapping screws. Supplied individually packed.

Made of ABS.

Color is white (RAL-9010).
