Wall mounting extension outlet box for one Mosaic 45x45 module, white

Product Code: LAN-WA-RMB-F45/E-WH

Wall mounting extension outlet box for one Mosaic 45x45 module, white

Description

The expansion box is designed to increase the space when using with the LAN-WA-RMB-F45/B-WH base box for the installation of components for various purposes produced for the 45x45 French Mosaic typesize.

This box has a fully sectional design. It consists of a body, side caps, a mounting frame with lock, and a faceplate with a decorative frame. If necessary, decorative frames can be of other colors - blue, red, gray, or black.

The main advantage of this box is the ability to quickly expand it using expansion modules. The number of expansion modules added next to one box is limited only by the space for the through passage of cables and wires inside the enclosure.

The box is installed on self-tapping screws. Supplied individually packed.

Made of ABS.

Color is white (RAL-9010).
