Product Data Sheet

Wall mount cable manager for 110 wiring blocks with legs

Part Number: LAN-WS110-ORG/L

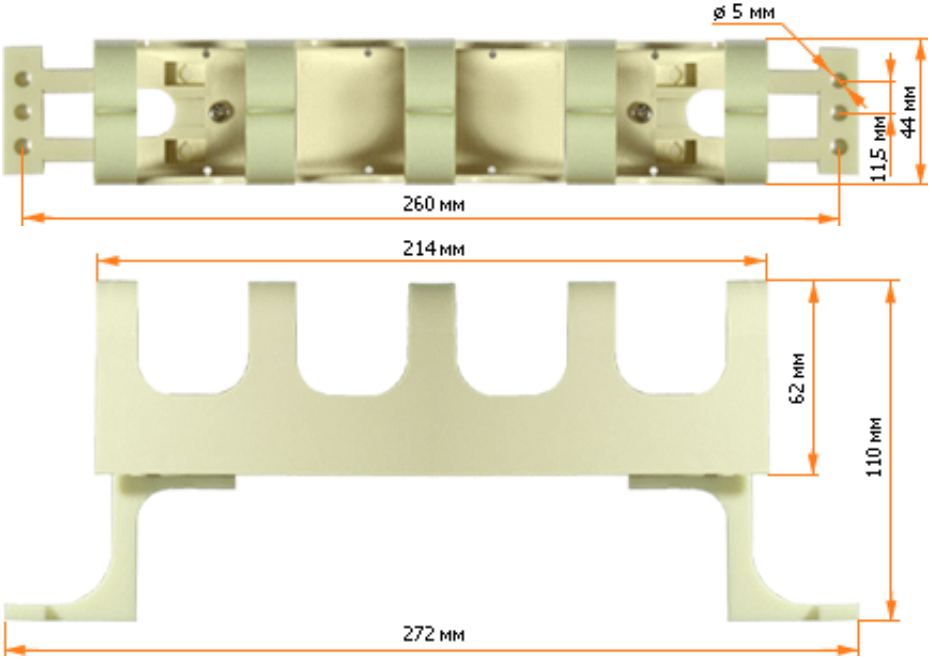

Wall mount cable manager for 110 wiring blocks with legs

Description

The cable manager is designed for storing excess length of patch cords, which allows you to organize the placement of cords, avoid the creation of loops, and provide good visibility of the component labels.

The cable manager is made of plastic, has 5 rings and detachable plastic legs.

LAN-RS110-ORG can be used to replace the cable manager unit without legs.

The cable manager is specially designed for joint installation with LANMASTER wall mount wiring blocks.
