Product Data Sheet

3-section wall-mount cabinet, 18U 600 x 600, metal door

Part Number: TWT-CBW3-18U-6x6-M

The Pro Series 19" three-section wall-mount cabinet is designed for mounting 19" network and telecommunications equipment. Features include adjustable mounting rails, glass door with latch, and multiple cable entry points.

Description

The Pro Series 19" three-section wall-mount cabinet is designed for mounting 19" network and telecommunications equipment.

Equipment mounting is possible on two or four rails, front shelves, and shelves with four-rail mounting. Rails can be installed at any depth and allow for smooth adjustment of spacing between them.

The front door features tinted glass with a latch mechanism; the door can be reversed to the opposite side if required.

The rear section of the cabinet is connected to the main body via hinges and can open up to 120°. In the closed position, sections are secured with a key-lock. The hinged rear section provides convenient access to equipment installed within the cabinet.

Side walls are removable and secured with plastic latches. Optional TWT-CB-LOCK locks can be installed on the side walls (locks sold separately).

The cabinet top allows for mounting up to two TWT-CBW-FAN1-BB fans (sold separately) and features a cable entry hole covered by a plug. An additional cable entry is located in the cabinet base. The rear section also has additional cable entries, permanently fixed to the wall. Cable entries can be equipped with TWT-CBW-BP brush glands (sold separately) as required.

The cabinet is supplied fully assembled. Package contents: 1 carton.

Color: Gray (RAL 7044, 7039).

Maximum load capacity: 60 kg.

In addition to standard wall mounting, the cabinet features four additional wall mounting points.

! Note: Wall mounting method must be selected based on the expected load on the cabinet !

Protection rating: IP 20.

Finish: Powder coating.

Cabinets comply with international standards ANSI/EIA RS-310-D, IEC 297-2, DIN 41494 Part 1, DIN 41494 Part 7, and GOST 14254.
