Product Data Sheet

Replacement cleaning tape reel for cassette cleaner

Part Number: LAN-FT-CL/CAS-R

Replacement cleaning tape reel for cassette cleaner

Description

The replacement reel is designed for the **LAN-FT-CL/CAS** cassette as a consumable. The lint-free cleaning tape can remove dust, oil, and other contaminants from the connector end face quickly and efficiently without additional wipes or cleaning fluids.

The kit includes a supply reel with cleaning tape and a takeup reel. One tape lasts over 500 cleaning cycles, after which it can be easily replaced with a new one.

Package includes:

- Supply reel - 1 pc.
- Takeup reel - 1 pc.
