Plinth for “Business” cabinets

Product Code: TWT-CBB-PL-xxx

Plinth for “Business” cabinets

Description

Plinth for TWT “Business” series floor cabinet allows you to raise the cabinet from the floor level to a height of 100 or 200 mm, to organize cable entry from below in case of installing the cabinet on a raised floor or podium and provide additional space for cable storage.

The plinth is screwed to the base of the cabinet with a set of fasteners, while the legs of the cabinet itself must be moved to the plinth.

The side panels of the plinth can be removed from any side to provide access to the base of the cabinet.

The kit includes plinth and mounting fasteners.

Made of metal.

Color is black (RAL 9004).
