Plastic ring for vertical cabinet and rack’s cable managers

Product Code: TWT-CB-RGH-2U

Plastic ring for vertical cabinet and rack’s cable managers

Description

Plastic cable manager rings are designed to organize vertical cable flows in telecommunication racks.

The ring is installed inside the post of the rack or on the outer side of the post. The rings are fastened with two M5 screws in the corresponding holes in the post.

Can also be used to replace damaged rings inside vertical cable managers in 800mm wide “Business” cabinets.

Ring height is 2U.

Made of plastic.

Color is black (RAL 9004).
