Two-fan unit for the roof of the Business Advanced cabinet, fans with bearings, stackable, without power cord

Product Code: TWT-CBA-FANB2

Two-fan unit for the roof of the Business Advanced cabinet, fans with bearings, stackable, without power cord

Description

Two-fan unit for installation in the roof of the Business Advanced series cabinets. A feature of these blocks is a modular design that allows you to increase the number of fans in the cabinet by connecting several blocks to each other. The maximum number of units installed in a cabinet is determined by the depth of the cabinet.

Color is black (RAL 9004).

Unit’s fan type - with rolling bearing.

Model range
