Air sealing frame kit for Business cabinet, metal

Product Code: TWT-CBB-ABP-xxU-y

Air sealing frame kit for Business cabinet, metal

Description

The sealing frame kit is designed for perimeter blocking of undesirable air flows in the front plane of the cabinet. The kit is recommended for use when building cold/hot aisles to prevent leakage of cooling air into the space between the mounting rails and the side panels of the cabinet.

Color is black (RAL 9004).
