Dust filter for bottom panel of “Business” cabinets

Product Code: TWT-CBB-BDF-xx

Dust filter for bottom panel of “Business” cabinets

Description

The dust filter/cable entry is designed to protect the interior of the TWT “Business” series floor cabinet from dust and moisture from under the floor while maintaining the possibility of cable entry.

Filters are installed in the bottom panel of the cabinet on the central opening.

Foam filter elements have slots in the shape of the letter “H” which provide the possibility of routing cable flows.

Build as metal frame and foam filter elements.

Color is black (RAL 9004).

Model range

TWT-CBB-BDF-12	Dust filter for bottom panel of “Business” cabinets, 1200 mm deep
