Brush cable entry for “Business” floor cabinets, black

Product Code: TWT-CBB-BP

Brush cable entry for “Business” floor cabinets, black

Description

The brush cable entry is designed for installation in the bottom and the roof panels of the TWT floor cabinet of the “Business” series. The openings for the brush entry are in the frames of the supporting structure.

The use of brush entries helps to protect the equipment in the cabinet from the dust and dirt, reduces the risk of cable damage on the edge of the entry hole, provides partial fastening of the cable routed into the cabinet.

Build as metal frame and PVC bristles.

Color is black (RAL 9004).

Dimensions:

- External dimensions: 360x63x10 mm
- Mounting holes distance: 350 mm
- Cable entry hole dimensions: 45x320 mm
