Earth straps kit for TWT-CBB cabinets

Product Code: TWT-CBB-EARTH-SET

Earth straps kit for TWT-CBB cabinets

Description

The earthing kit consists of a set of connecting wires with fasteners for electrical earthing of the “Business” series cabinet structural elements.

Each structural element of the cabinet (frame, side panels, door) has a special grounding terminal.

Kit includes:

Wires:

- 1.5 meter – 1 pc,
- 0.35 meter – 7 pcs,
- 0.24 meter with spade quick splice terminals (for connecting side panels) – 2 pcs.

Fasteners:

- Copper-plated hex nut M6 – 11 pcs,
- Copper-plated washer M6 – 22 pcs,
- Copper-plated spring washer M6 – 11 pcs,
- Self-tapping screw – 4 pcs.

The fasteners included in the kit (nuts and washers) are made of steel and have a copper-plated protective

coating.

All wires from the kit are terminated with a ring terminal. The exception is two wires intended to ground the removable side panels of the cabinet. These wires have ring terminal from the one side and spade quick splice terminal on the other side.
