Roof fan panel for “Business” series floor cabinet

Актуальная версия конструкции

Product Code: TWT-CBB-FANxx-xx

Roof fan panel for “Business” series floor cabinet

Description

Roof fan panel is designed for installation under the top panel (roof) of the **“Business” series** floor cabinet for forced cooling of the active equipment placed in it.

Panels are installed in a special opening, do not occupy useful internal space, do not block rack units on the mounting rails.

Panels with two types of fans are produced - with sleeve bearings and rolling bearings.

From 2-fan to 10-fan panels can be installed in a cabinet depending on its depth.

Kit includes fan panel, 1.8 m power cord, mounting screws.

Color is black (RAL 9004).
