19" light panel for floor cabinet, 12W, cool white light, 2 m power cord

Product Code: TWT-CBB-LAMP

19" light panel for floor cabinet, 12W, cool white light, 2 m power cord

Description

Fluorescent lamp light panel is designed for installation inside a telecommunication cabinet.

It can be installed in any accessible place on special brackets, on existing technological holes with or without thread. The distance between the brackets is arbitrarily adjustable within the length of the luminaire.

Supplied with a cool white lamp with a power of 16W (type T16).

The package includes a power cord with a Euro plug (2 pins), mounting brackets and three options for fixing screws.

Body materials are PVC and duralumin.

Cool white fluorescent lamp, 16W, glass.

The luminaire is manufactured according to **GB7000.10-1999** and **GB7000.1-2007**.
