Drywall lining for TWT-DB10-xP/K wall box

Product Code: TWT-DB10-xP/FR

Drywall lining for TWT-DB10-xP/K wall box

Description

The plastic drywall lining is designed to be mounted with a wall box TWT-DB10-xP/K.

Allows you to install the LSA-PLUS connection box into a plasterboard wall or partition.

Mounted directly on the front of the box with previously removed door. The door of the box is later installed in the grooves of the frame.

If necessary, it can be used together with spacers TWT-DB10-xP/HR which increase the depth of the box.

Kit includes 4 mounting screws.

Made of PVC.

Color is light grey.

TWT
