Wall-mounted metal distribution boxes with lock

Product Code: TWT-DB10-xP/KM

Wall-mounted metal distribution boxes with lock

Description

The wall-mounted metal distribution box is designed for installation of 10-pair TWT-LSA10P-xxx connection modules (modules are supplied separately) with LSA-PROFIL frame.

Available for 1, 2 or 3 LSA-PROFIL modules.

The box is equipped with a grounding conductor.

The door is equipped with a lock with a screw key, which allows using the box in general premises and reliably protecting the connection equipment from unauthorized access.

Cable entry is possible from four sides.

Made of metal.

Painting - powder coating

Color is beige.
