Wall-mounted simplified distribution box

Product Code: TWT-DB10-xxP/L

Wall-mounted simplified distribution box

Description

Wall-mounted distribution boxes are designed forinstallation of 10-pair LSA-PLUS connection modules.

Boxes are completed with backmount frames forinstallation of connection modules with a capacity from 30 to 100 pairs.

The door is equipped with a lock with two keysincluded.

The increased depth of the door allows theinstallation of protection magazines.

The box is non-separable, cable entry is possible fromabove and below.

Made of PVC.

Color is light grey.

Where D – cabinet depth

H – cabinet height

W – cabinet width
