19" Two post rack

Product Code: TWT-RACK1-xxU

19" Two post rack

Description

Two post floor telecommunication rack used for mounting network and telecommunication 19" equipment and two post mount (cantilevered) shelves.

The package includes a set of castors. If necessary, the rack can be mounted on legs or attached to the floor with anchors.

On the side surface of the posts, both outside and inside the frame, you can install vertical cable management plastic rings (**TWT-CB-RGH-2U**).

The rack is supplied unassembled. Packaged in one pack.

Height options: 29U, 33U, 38U, 42U and 47U.

Maximum rack load is 150 kg.

Powder coating painting.

Color is gray (RAL 7035).

The rack complies with international standards ANSI/EIA RS-310-D, IEC 297-2, DIN 41494-1, DIN 41494-7.
