Metal ring cable manager for installation on 19” rails

Product Code: TWT-RING-MXXxXX

Metal ring cable manager for installation on 19” rails

Description

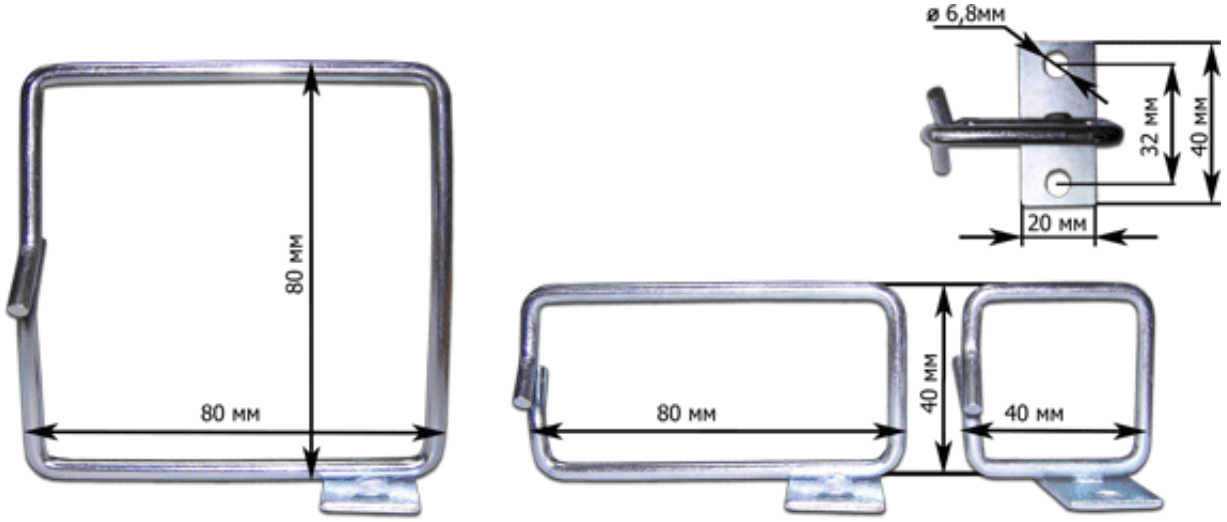

Metal ring cable managers are designed for organizing vertical cable streams in telecommunication cabinets and open telecommunication racks.

The ring can be installed inside the base frame or on the outer side of the rack, inside a floor-standing or wall-mounted cabinet.

The rings are mounted with two screws.

Made of steel.

Painting - nickel plating.
