Product Data Sheet

TWT, LSA-PLUS disconnect block

Part Number: TWT-RM10-15P-H

TWT, LSA-PLUS disconnect block for copper structured cabling systems.
LANMASTER product information, specifications and part number details.

Description

The mounting frame is designed to install 10-pair TWT-LSA10-xxx connection modules in 19" cabinets and racks.

The frame allows you to install up to 15 connection modules, the maximum capacity of the frame is 150 pairs.

The frame is equipped with brackets for organizing cable flows.

The installed connection modules do not protrude beyond the front surface of the rack due to the recessed design of the frame.

Height is 3U.

Connection modules orientation is horizontal.
