LSA-PLUS Back mount frame

Product Code: TWT-WMF-FRx

LSA-PLUS Back mount frame

Description

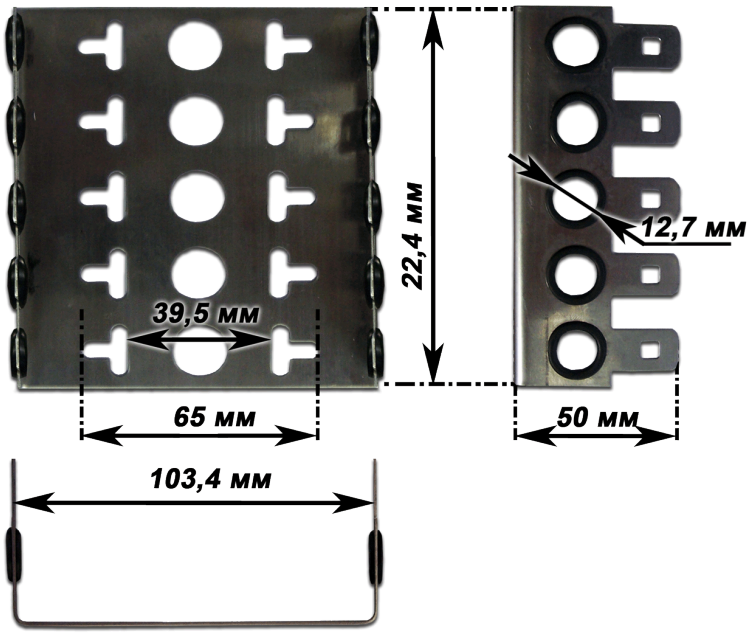

The frame is designed to install 10-pair LSA-PLUS and LSA-PROFIL connection modules on the wall.

Can be mounted directly on the wall or using special TWT-WMF-KR plastic brackets.

The frame has side holes for the input cables equipped with protective rubber rings.

The open frame design allows the use of various types of cable routing - from top, bottom, sides.

Made of stainless steel.
