Wall brackets for open mounting frame (mounting adapter), 2 pcs.

Product Code: TWT-WMF-KR

Wall brackets for open mounting frame (mounting adapter), 2 pcs.

Description

Brackets are designed to install mounting elements (rods or frames) for LSA connection modules on the wall.

Brackets mount directly to the wall. It is possible to join adjacent brackets, both from the side and from the top / bottom, using the available dovetail clamps when installing several sets.

The brackets are equipped with elements of vertical organization of the connected cables as well as places for fixing their jackets with cable ties.

Made of PVC.

Color is grey.
